**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because AT&T and Comcast raised prices every six months without informing their customers thinking we wouldnt notice. They are rip off artists and I refuse to ever engage in business with either company again, even if it means no TV, no cable no Internet. In fact, I have had no cable for the past 10 years in protest of AT&T and Comcast. If you deny fair competition you will be faced with a class-action lawsuit.

Sincerely,

Sonic internet customer
